

CAQA Capability Statement

~~~~~  
Your Partner  
in Compliance,  
Quality, and  
Growth

## Who We Are

**CAQA (Compliance and Quality Assurance)** is Australia's leading provider of education and compliance solutions. With over 35+ industry experts, 77,900+ resources, and experience across thousands of audits, we are trusted by 2,000+ RTOs, TAFEs, CRICOS/ELICOS providers, and Higher Education institutions. Our ISO-certified auditors, consultants, and trainers bring decades of expertise to help you achieve compliance, confidence, and growth.

# Our Core Capabilities

## 1. Compliance & Quality Assurance

- Audit preparation, rectification, and risk management
- Internal audits, compliance health checks, and due diligence reviews
- Validation and moderation services for training and assessment
- Ongoing advice across **ASQA, TEQSA, CRICOS, and ELICOS frameworks**

*Stay audit-ready and reduce risk with CAQA's expert compliance support*

## 2. Education & Training Solutions

- RTO and CRICOS setup, registration, and scope additions
- Course accreditation and development services
- Customisable e-learning platforms and digital solutions
- LLND (Language, Literacy, Numeracy & Digital) services and consultancy

*Build future-ready training with compliant and innovative solutions*

## 3. Specialised Consultancy

- TEQSA compliance and Higher Education governance
- ANMAC consultancy for nursing and health programs
- CRICOS/ELICOS international student compliance
- Industry-specific consultation for workforce-aligned outcomes

*Specialised expertise to meet sector-specific needs*

## 4. Strategic Growth & Development

- Business planning, tenders, and growth strategies
- Leadership training and professional development
- Advisory support for acquisitions and partnerships

*Transform compliance into growth with CAQA's strategic expertise*
