

EMPOWERING SKILLS. STRENGTHENING FUTURES.

Transforming
LLND and
Employability
Skills Across
Australia

CAQA LLND

is a trusted leader in building Language, Literacy, Numeracy, Digital (LLND) and Employability Skills for learners, organisations, and training providers nationwide.

Our evidence-based, compliance-aligned solutions strengthen training delivery, boost learner outcomes, and enhance workforce capability in both education and employment sectors.

Our Mission

- Enhance learner success and job readiness
- Improve training delivery and compliance for RTOs, TAFEs, universities, and government agencies
- Build workplace productivity, communication, and digital skills
- Support government initiatives for lifelong learning and employability

Who We Support

- **Registered Training Organisations (RTOs):**
Audit-ready LLND resources, ACSF/DLSF/CSFW - aligned tools, compliance support, and staff PD
- **Employers & Businesses:**
Workplace-based training, digital literacy programs, coaching, and skill-gap solutions for stronger performance
- **Government & Community:**
Inclusive, scalable programs to uplift employability and strengthen foundational skills

Our Services

LLND Courses:

Progressive programs mapped to ACSF, DLSF, CSfW, DigComp, and SFIA – delivered online, face-to-face, or workplace-integrated

Assessment Services:

Diagnostic and validation tools for compliance, skill-gap analysis, and learner support

Professional Development:

Workshops, webinars, mentoring, and customised upskilling for educators and teams

Resource Development:

Curriculum packs, assessment kits, and digital solutions for trainers and providers

Consultancy & Coaching:

Expertise in LLND integration, compliance automation, funding support, and learner pathways

Driving Employability

Our programs help learners develop:

Communication
and teamwork

Critical thinking and
problem-solving

Digital fluency
and confidence

Workplace numeracy
and applied literacy

Every program is framework-mapped for measurable outcomes and compliance excellence, ensuring relevance across industries and learning pathways.

Partner With CAQA LLND
